VIDEO TO DVD

Stop video degradation and preserve your family memories by transferring old videos to DVD!

Only $10 per hour

Video to DVD Transfer
We preserve your home videos to DVD for only $10 per hour of video per cassette. Each DVD can record as much as 4 hours of video in standard record mode. Once we have all your videos transfered to DVD it's as little as $10 per copy! An easy way to share all your memories with the entire family and for generations ahead!

1 hour = Superior quality.

2 hour = High quality.

4 hour = Standard quality.

ADDITIONAL COPIES

Standard DVDs $10 each*
Preserve your family memories for generations to come without degeneration. Each standard DVD arrives with a label and DVD case.

Archival DVDs $15 each*
We recommend at least one micro-coated Master Archival DVD. An archival DVD can resist scratches and fingerprints and is 100x more resistant to surface scratching than standard DVDs. Each archival DVD is labeled and stored in a DVD case.

VHS Videocassette $30 each*
Professional grade videocassette for use with a VCR. Each VHS video comes with a label and video sleeve.

***Maximum of 4 hours per DVD.**

***Maximum of 2 hours per VHS.**

- Each video must be numbered in the order of appearance.
  We suggest numbering each video with a Post-It or piece of paper and tape.
- Each video tape will be a chapter on the DVD menu.
  Each chapter will have subchapters so you can quickly skip ahead.

TAPE #	LENGTH	CHAPTER NAME
Tape 1 Example	30 min.	New Years 1986 - Thanksgiving 1986

Use back or additional paper to add more tapes and information.
