

# 8mm FILM TRANSFER

8mm & Super 8mm film transfer to video is captured using our flicker-free telecine system which eliminates the flashing light which is dramatically noticed when transferring home movies with a regular home film projector and video camera.

**.20 cents per foot**

**50 feet = \$10**

Most popular size of film reel.  
Approx. 2 1/2-3-minutes.  
3 inch diameter
